Marina Sports Day

Saturday May 9th from Noon to 3pm

PICKLEBALL SHUFFLEBOARD KAYAK LAUNCH

Come on down to the Marina and visit with our volunteers
on Saturday, May 9th between noon and 3pm. Volunteers
have been working hard on improving the Marina
grounds, including installing a new kayak launch,
refreshing the shuffle board court and pickleball court.
Come and see the improvements and have your questions
answered!! **Fun Fact:** Did you know the Marina Pavillion
was built entirely by volunteers Many of whom were
in their seventies??!!

**The marina park is gated and has bathrooms, playground,
tennis, pickleball, shuffleboard and basketball courts in
addition to the boat slips and launch. There is a pavilion
available for parties and events; ask for details.**
